

2012 HIGH CALIBER CLUB SERIES

EXCLUSIVE TO FRIENDS OF NRA

Earning Friends of NRA High Caliber Club (HCC) status means joining an exclusive group of committees who take Friends of NRA fund-raising to the next level. To earn the title, committees must raise over \$25,000 at their single event and from there, the committee is eligible for a series of High Caliber Club firearms to use at next year's event.

Roughly 28% of all committees earned the prestigious title in 2011. They represent the highest quality events Friends of NRA has to offer and for their outstanding achievements, Friends of NRA is excited to announce the 2012 High Caliber Club Firearms.

Through their dedication and hard work, HCC committees have helped create a brighter future for the shooting sports. The 2012 High Caliber Club Series is ready to help Friends of NRA's top committees take fundraising to a higher level!
