## About Us and Our Annual Dinner

The Northampton County Friends of NRA is group of local volunteers, dedicated to supporting the shooting sports in Pennsylvania. Our primary focus is fundraising for youth programs and for programs designed specifically for women.

To that end, we hold an annual dinner banquet that features firearm related raffles, games, auctions, and of course, great food. Where else can you go for a delicious dinner and leave with a shotgun?

Our next banquet is Tuesday April 23, 2013 at the Holiday Inn Conference Center of Lehigh Valley, just a few miles west of Allentown. In order to keep your chances of winning high, we are limiting this event to roughly 250 seats. So, sign up early. There are multiple ticket prices ranging from \$45 (includes dinner) to the \$500 Platinum package, which includes dinner for four and four chances to win a Kimber pistol or other high quality firearm.

The event kicks off at 5:30 PM with the raffle ticket sales, a half dozen games that offer guns as prizes, and various silent auctions on jewelry, artwork, knives, and more guns. Some of the games have a limited number of tickets, so winners can be determined as soon as those tickets sell out.

While we don't know for sure how many guns will be won, at our last event, there was roughly 1 gun for every 10 people, not bad odds. Some of the guns we expect to have include, a Remington R1 1911, Auto Ordnance 1911-A1, a Kimber UltraCarry II, and numerous high quality long guns. (Note: all winners of firearms will need to pick them up from our designated FFL, C & D Guns Coins & Antiques in Bethlehem for completion of the required purchase forms and/or background checks.)

There will be a cash bar, and at about 7 PM we'll get dinner going. We'll continue with raffle sales during our salad and entre' but along with dessert comes the raffle drawings, silent auction winners and the start of our live auction!

So why do we do all this? One hundred percent of the profit goes to the support of shooting sports here in PA and across the country. In fact, this is the only part of the NRA that operates as a 501(c)(3) and is tax deductible. Half the money goes to the NRA Foundation which supports 180 national programs like "Women In The Outdoors" and various college scholarships. The other half stays in PA and goes to youth activities like high school rifle, trap or skeet teams, Boy Scouts, and 4H.
