DANIEL DEFENSE H9 9MM WITH VORTEX RED DOT FRIENDS OF NRA EDITION

The Daniel Defense H9 has redefined performance standards of compact handguns — without shortcuts and without compromise. Fully reengineered from the ground up, the DDH9 combines revolutionary shot control, lightning-fast response, and unmatched accuracy that transforms the entire shooting experience. It's an advanced fusion of striker-fired performance and classic ergonomics, optimized to point as naturally as your finger. Featuring a low bore axis that drastically reduces muzzle rise, the H9 helps shooters achieve faster follow-up shots and tighter groups every time. Every detail of this pistol is geared toward giving shooters the confidence to hit their target faster and more confidently than ever before.

This DDH9 showcases the NRA logo engraved on the grips and etched on the Vortex Defender ST red dot optic. Crafted exclusively for Friends of NRA events with special NRA serialization, it is limited to just 615 units and proudly made in the USA. More than a firearm, it is a bold display of patriotism and innovation. *Not available in all 50 states

HENRY GOLDEN BOY SILVER - DECLARATION OF INDEPENDENCE 250TH ANNIVERSARY EDITION

The Henry Golden Boy Silver is a visually striking and high-performing lever-action rimfire rifle that blends classic Western styling with modern craftsmanship. Its standout feature is the mirror-bright nickel-plated receiver, complemented by a matching barrel band and buttplate, all set against a finely figured American walnut stock. This combination not only offers durability but also a gleaming finish that resists wear and tarnish, making it a true head-turner at the range or in the field. This commemorative edition firearm features engraving by Baron Engraving that honors the 250th anniversary of the Declaration of Independence, along with exclusive NRA serialization. Made exclusively for Friends of NRA events, this firearm is proudly made in the USA and limited to 700 units.

KELTEC PR-5.7™ WITH NRA

The PR-5.7™ is a next-gen concealed carry pistol that blends innovation, simplicity, and everyday reliability. Chambered in 5.7x28mm, it uses a rotary barrel system to shed weight. It's nearly 40% lighter than the nearest 5.7 competitor. Designed by George Kellgren, its top-loading system replaces magazines with two included 10-round stripper clips. This keeps the profile slim while maintaining a 20-round capacity. With point-and-click simplicity, minimal controls, and a tool-free field strip, it's engineered for ease of use under stress. Low recoil and a snag-free build round out a pistol suited for first-timers and experienced users alike. Made exclusively for Friends of NRA events, this limited edition proudly features the NRA logo and is built in the USA. 575 units produced. *Not available in all 50 states

TAURUS 856 EXECUTIVE 38 SPL +P WITH NRA GRIPS

Keeping the wheelgun competitive and also satisfying those who just prefer the simplicity and reliability of the revolver, Taurus upgraded the .38 Spl. with the Model 856 Executive Grade. The first revolver in the company's Executive Grade series, it is maximally enhanced. With a bobbed hammer spur, it's a true double-action-only wheelgun with no propensity to snag on the draw. The hand-polished, satin-finish stainless steel reflects the care also applied to the smooth action. That action helps enhance performance. Details were not neglected, as indicated by the chamfered charge holes that speed reloads. Rated for +P ammunition, the revolver holds a full 6 rounds. This exclusive edition features custom NRA grips—making it a truly distinguished piece for both everyday carry and serious collectors. Made exclusively for Friends of NRA events, this firearm is limited to 700 units.

KIMBER CUSTOM LW DEFEND THE 2ND 1911 .45ACP

A 5-inch 1911 pistol chambered in .45ACP and bearing the Kimber marque is what many envision as a classic semi-automatic pistol. This one departs from tradition in that it is fabricated with an aluminum frame, offering durability and rigidity without burdensome weight. The single-action pistol features a crisp trigger, excellent balance and traditional, handsome aesthetics. The low-profile iron sights and a high-sweep beavertail grip safety combine with the 1911's vaunted ergonomics to make for an excellent shooting experience. Whether intended for casual or formal target shooting, personal protection, or as an enhancement to your collection, the American-made Kimber Custom LW will surely fit the bill. It features a flag motif on the blackened slide with "Defend the 2nd" on one side and the NRA logo on the other.

RUGER AMERICAN GEN 2 PREDATOR 7MM PRC WITH NRA LOGO

The spiral-fluted, cold-hammer-forged, Burnt Bronze-Cerakoted barrel is striking, but it's just the beginning of the features to be found on the Ruger American Gen 2 Predator chambered in long-range 7mm PRC. The barreled action sits in a green, splatter-painted, tactile stock within an integral bedding block. The barrel is free-floated and features an installed muzzle brake. There is a 3-position safety and the Marxman trigger is adjustable. Likewise, adjustability is found in the comb height and length of pull. A Picatinny rail waits to accept the scope of your choice. The stock is proudly marked with the NRA logo, symbolizing both performance and patriotism. Made exclusively for Friends of NRA events, this firearm is manufactured in the USA and limited to just 700 units.

KIMBER CDS9 DEFEND THE 2ND 9MM

New from Kimber—the company that forever changed the 1911 market—is the CDS9 (Covert Double Stack 9mm), a pistol created from the ground up for everyday carry. The CDS9 is based on the 1911, but smaller and with a double-stack magazine and features optimized for concealed carry. With compact dimensions and weighing a scant 21.44 ounces, the pistol is designed to conceal easily under clothing and ride comfortably all day. Despite its diminutive size, the CDS9 is not too small to grasp and shoot well. Moreover, it still manages to offer an integral accessory rail and an optics cut for direct mounting of any mini-red-dot sight with an RMSc footprint. This single-action pistol incorporates a flat-face trigger with a vertical break point, and the inclusion of a dual-recoil-spring assembly assures that the CDS9 possesses excellent shooting characteristics. The controls are fully ambidextrous and the magazines, whether flush-fitting or extended, are capacious, with different magazine capacities. Each pistol has a unique NRA-serialized number and comes with embellishments including “Defend the 2nd” on one side of the slide and the NRA logo on the other. This exclusive Friends of NRA-commissioned pistol is limited to 575 units. *Not available in all 50 states.

HK CC9 WITH FRIENDS OF NRA LOGO

Heckler & Koch's much-anticipated entry into the micro-9 market proved worth the wait. The company's lauded little blaster is designed and built to the same standards as its larger pistols, meeting the requirements for NATO's Army Armaments Group AC/225 standard. The polygonal-rifled barrel is made of cannon-grade steel. Concealed-carry practitioners will enjoy the mirrored ambidextrous controls, two included backstraps, fine stippling, and a tritium front sight. Additionally, the pistol has an accessory rail on the dustcover and the slide is precut for any optic with an RMSc footprint. One 10-round, flush-fit magazine is included. Ergonomic and contoured to be snag-free, the HK CC9 is now in the vanguard of ideal everyday carry pistols. Making this edition special, the slide features an engraved Friends of NRA logo. Made in the USA exclusively for Friends of NRA events, this firearm is limited to 640 units. *Not available in all 50 states

SPRINGFIELD MODEL 2020 RIMFIRE TARGET .22LR WITH VIRIDIAN 3-9X40 SCOPE AND NRA LOGO

One of the purest ways to experience the joys and demands of shooting is with a fine rimfire .22 bolt-action rifle. That is precisely what Springfield Armory offers with its Model 2020 Rimfire Target .22LR. The highly refined target rifle places a blued, freefloat, barreled action in an ergonomic, tough and light target stock. The action features dual cocking cams, a hard-chromed bolt with a short 60-degree bolt throw and a threaded bolt knob that can be swapped out if the shooter so chooses. The 20-inch barrel is threaded for installing a suppressor or other muzzle device and includes a thread protector. The strategically stippled stock includes a raised comb and sling-swivel studs. Springfield touts the 2020 Rimfire Target as being capable of 1-inch groups or less at 50 yards with good ammunition and an able shooter. Included with the 2020 Rimfire Target is an installed 3-9x40 Viridian scope mounted on the rifle's interrupted Picatinny rail. This special edition is finished with the NRA logo on the receiver and was made exclusively for Friends of NRA events. Limited to only 700 units.

THANK YOU

Each year Friends of NRA has a different Merchandise Package that is sourced from vendors across the nation. These items are unique, custom, limited-in-production, and in some cases available only at Friends of NRA events. The 2026 Friends of NRA Standard Merchandise Package would not be possible without the support of all the vendors featured in this catalog.

Established in 1990, The NRA Foundation, Inc. ("NRA Foundation") is a 501 (c)(3) tax-exempt organization that raises tax-deductible contributions in support of a wide range of firearm-related public interest activities of the National Rifle Association of America and other organizations that defend and foster the Second Amendment rights of all law-abiding Americans. These activities are designed to promote firearms and hunting safety, to enhance marksmanship skills of those participating in the shooting sports, and to educate the general public about firearms in their historic, technological and artistic context. Funds granted by The NRA Foundation benefit a variety of constituencies throughout the United States including youth, women, individuals with physical disabilities, gun collectors, law enforcement officers, hunters, and competitive shooters.

The Friends of NRA fundraising program was established in October 1992 to raise funds in support of this mission. True to the tradition of the original town meetings, and organized by community volunteers from every walk of life, Friends of NRA events provide participants an opportunity to support the charitable goals of The NRA Foundation and enjoy the camaraderie of other law-abiding gun owners.
